October 1, 2020

Dear Friends in Christ:

Every year a Financial Report is provided to our Parish Family of Prince of Peace. It is prepared both because total transparency is important and because Catholics need to have an awareness of what it takes to minister a modern, Catholic parish.

This year has been a tremendous challenge since the Pandemic literally shut us down for three months. However, your generosity and support have enabled us to continue ministry to those in need in our community, financially support students in our Catholic Schools, and to strive to stay connected with everyone through Social Media, to name some.

Your prayers, support and continuing financial contributions are edifying to me as your Pastor and I am continually proud to be here as your Pastor. You make it possible to thrive and not just survive, to carry on rather than cut back needed services, and to continue making Christ present in our Community rather than hunkering down.

May this year's annual report not only be informative, may it make us proud of what we have accomplished, and may it challenge us to continue to support our Parish as we discern new ways of ministering to you in these radically different days. We are a better Parish community of faith because of you.

Sincerely yours in Christ,

Fr. Dave
