

Hand on your legacy...

As previously communicated to our parishioners and friends, thanks to a generous bequest several years ago, we have funds available which were restricted by our Parish Councils for the sole use of improvements to our parish church.

The project of restoring the pews and replacing the floor and kneelers cost approximately \$147,000. The cost to replace the sanctuary floor is approximately \$32,000.

We do have funds to complete this project, but we now ask for your financial support so that you or your family can hand on this legacy entrusted to our parish family.

New seating for elderly with space for wheelchair placement at rear.

We hand this on for *tomorrow*...

Please consider giving a substantial gift to our parish to support the ongoing improvement of our beautiful church, dedicated to Our Lady's Assumption and under the protection of our Lord Jesus, the Prince of Peace!

All gifts over \$250 will be memorialized on a plaque in the rear of the church.

You may make a personal gift, or consider joining together for a family gift in honor or in memory of your loved ones.

Thank you for your support!

Our gift will be:

\$10,000 \$5,000 \$1,000 \$500 \$250 \$100 \$50
